Complaint of Over Limit Contributions and Request for Audit - Obama for America (C00431445) and Obama Victory Fund (C00451393)

**Summary of Post-General Report \$4,600 Exceedances
(Supplemental Update to MUR 6142)**

Dear Sir or Madam:

This is a supplemental update to complaint, MUR 6142, pertaining to the Presidential Campaign Funds of Barack Obama. It is based on FEC files downloaded from the FEC website for Post-General funds.

This is a Summary Report of the previously submitted Post-General Fund \$4,600 limit exceedance supplements. The totals are listed in Table I by state. The contributors and their sums are listed in Table II. Individual transactions are not listed but are as per previous submissions. Some minor corrections have been made to the sums, as indicated.

There are a total of 1,656 contributors totaling \$1.9 million that appear to be over the \$4,600 limit by an average \$1,155. It is of note that the listing of 1,656 contributors required 3,206 listings for variations in name and/or zip code (contributors may be listed more than once in Table II if there are variations in their names and/or zip codes but their sum is listed only once). This would indicate that there are many variations in the donor listings that make sums difficult to track.

The Obama Campaign submitted over 2.5 million transactions to the FEC. However, database analysis indicates that the entire campaign file contains only 704,773 contributors with unique names and 5 digit zip codes. The total contributions reported came to \$425 million, yet they campaign reported spending \$741 million. They also claim to have 2-3 million donors. What verification has been made that the unreported \$255 million came from the 2 million donors, who are apparently claimed to be under the reporting limit? With all the exceedances of the total contribution limit, it would be reasonable to question the validity of the reporting limit claims. It is requested that the records of the unreported contributions be reviewed.

The American People want an audit of the Obama for America (C00431445) and Obama Victory Fund (C00451393). We are depending on the FEC to assure compliance with fair practices. Please audit the Obama Presidential Campaign Funds. Thank you for your time and consideration.
